AT HARBOR HEIGHTS

THE NORFOLK / MODEL 2C/2A

3030  
Square Feet

Living up to its namesake, The Norfolk model offers skyline level residential luxury in a four bedroom/four and a half bath plan. The opportunities for customizing your premiere space are endless and give one the chance to create a residence extraordinaire. Over 3000 square feet are yours to enjoy with two master bedrooms, a large gourmet kitchen, see-thru fireplace, great and living rooms and an abundance of storage space. This model is the perfect home for those who cherish downtown and want to enjoy the wonderful views from an exceptional vantage point.
